

ST BERNARDS POST

Mini Summer 2021 Newsletter

This summer at St Bernards we are filling our days with sunshine, good food, great company and a variety of activities. We let go of the past and allow ourselves to enjoy the new and exciting.

Our mini bus trips are to be back in full swing to enjoy the summer sights. With this, a pit stop at our local garden center for a tea and scone will be on the agenda moving forward. Along with an array of garden parties to which we are hopeful for families attending. Not to mention the ongoing list of activities being arranged by our fabulous activities team here at St Bernards.

We truly believe in individual, meaningful care, therefore all our staff go above and beyond for the wellbeing of our residents.

Keep a eye out on our Facebook and Instagram pages for updates, pictures and friendly reminders of upcoming events and news within our home.

"Thank you all for your continued support throughout the year. It is so lovely to see more family members through our doors. The joy it brings to our residents spreads through the entire home"

*Tracey Chester
Care Home Manager*

STAFF ANNOUNCEMENTS

We are pleased to announce our newest member of the St Bernards family, our hairdresser Debbie. Debbie has been a hairdresser for over 30 years.

She will be in the salon every Tuesday and Wednesday. Our residents are so pleased.

We are also welcoming Mary as a team leader.

Chelsea, Milan, Ans & Danielle to the care team. As well as Dawn to volunteer with us,

A big congratulations for two staff promotions! Lorraine has been promoted to a Team Leader & Hollie to a Senior carer.

Congratulations all!
