

ST BERNARDS POST

Getting ready for fall

As we hold onto the final days of sunshine before the cold weather hits, we take time to appreciate all the lovely memories we had this summer as a family here at St Bernards. From live singers and performances, the staff sportsday, trips out on the minibus, gardening, plenty

of food and much more. We are very grateful for our wonderful and dedicated staff members to making all of this possible. However, a good-bye to the sun, is a hello to the up and coming Autumn/Winter events. We look forward to all the new for residents and family!

We are sad to announce that Henna from our HR department will be leaving us after 6 years, we wish all the best on her new venture!

A warm welcome to our new staff members, Chelsea, Celestine, Charis, Lori and Amy for care. Allison as our newest customer service/HR member and Jade for reception and customer service.
